

## 2021 Christmas Adopt-A-Family

**FAMILY#:** 27

Number in household: 7

Race: Black

It has been a rough year. Father was diagnosed with cancer last year, he is fighting it. Mother had Covid and was admitted to the hospital with pneumonia in the fall. She has had breathing problems and hasn't been cleared to go back to work full time yet. They had to move due to mold and are getting settled in. Hoping next year brings them their health back and better times!
